

# Music Around The County

A Program of the Salem County Arts Alliance  
2022-2023 Season

Dear Local Business Owner:

Salem County's **Music Around the County** 14<sup>th</sup> Annual Concert Series will soon be underway! The planning team is working hard to find imaginative ways to bring great music to Salem County. We are happy to announce a return to a season of live concerts, assuming that there will be no future restrictions on gathering due to the pandemic.

*Music Around the County* will continue to bring quality local & regional artists to our community for FREE. How do we do this? ... A dedicated core of volunteers, assistance from Salem County, the New Jersey State Council on the Arts, freewill offerings at events, and our sponsors. Promotion of events and honoraria are our biggest expenses. You, as our sponsor, are essential to our ability to keep music accessible to all our residents.

This year we are particularly excited to celebrate Salem Community College's 50<sup>th</sup> Anniversary with a concert by the **Bay Atlantic Symphony!** This will be the first symphony to come to Salem County in over three years. Please see the season's schedule of events included with this letter, and take a moment to review the sponsorship opportunities listed below. We appreciate your support *at any level*. Sponsors are recognized in our event programs, on our website, and on our social media. We hope you will be able to join us for this season's concerts!

With Best Wishes,

*Joanne*
