Music Around the County

Who is Music Around the County?

The Salem County Arts Alliance was formed in 1988. Its original purpose was to promote and create cultural experiences and appreciation of the arts. In 2009, we partnered with Music Around the County ("MAC"). In January 2014, the Arts Alliance and MAC merged. Together we continue to promote and create cultural experiences through music. **Learn more!**

TUNES FROM THE CRYPT

Erik Meyer, Organist

Toccata & Fugue in D minor.....Johann Sebastian Bach (1685-1750)

Danse Macabre.....Camille Saint-Saens (1835-1921)

In the Hall of the Mountain King..... Edvard Grieg (1843-1907)

Silent Film: The Haunted House with Buster Keaton (1921)

March of the Trolls.....Grieg

Toccata in B minor.....Eugene Gigout (1844-1925)

From Collingswood NJ, Erik Meyer was introduced to the organ by J. Bert Carlson, who inspired him to pursue a career in music. He went on to attend the Peabody Institute of the Johns Hopkins University, where he continued his organ studies with Donald Sutherland. He has won regional American Guild of Organists competitions, the Albert Schweitzer Organ Festival competition, and was a semi-finalist in the National Young Artist Competition in Organ Performance. He has performed hundreds of concerts throughout the US and Europe.

While at Peabody, he met his wife Anna, and the two of them formed the AE Meyer flute and organ duo. They have performed around the US and UK, and are actively commissioning new concert works for their unique ensemble.

As a composer, Erik writes in a wide variety of styles and genres, from choral to symphonic to electronic. His compositions have won awards from the Twin Cities AGO, the Association of Lutheran Church Musicians' Raabe prize, the Presbyterian Association of Musicians, and more; he is also the composer of the new Johns Hopkins University school song. He is the composer-in-residence for Elevate Vocal Arts' flagship professional choir, Elevation.

Erik is the organist at the Philadelphia Episcopal Cathedral and adjunct faculty at Temple University, where he teaches in the music studies department. He also can be found accompanying various local ensembles and occasionally directing musicals with amateur theater companies. He has served as the dean of the Erie AGO, and with the Philadelphia AGO as both Registrar and Treasurer.
